

Mental Health Professionals' Network

Elizabeth & Surrounds Network Meeting

Counselling and Psychotherapy with Older Adults

Dear colleague,

You are invited to the next Elizabeth & Surrounds network meeting.

Please [register](#) your acceptance or apology for this meeting.

Feel free to forward this invitation to invite your colleagues who may wish to attend.

Coordinator: Rachel Rice

Guest Speaker: **Felicity Chapman, Clinical Social Worker**

Felicity is a mental health social worker who specialises in working with older adults in both the community and in care. She is author of *Counselling and Psychotherapy with Older People in Care: A Support Guide* by Jessica Kingsley Publishers and has over 20 years' experience as a psychotherapist. She is a sessional lecturer and tutor for the University of Adelaide in their Graduate Program of Counselling and Psychotherapy, works as a private practitioner and as a mental health clinician with Sonder (under the Adelaide Primary Health Network) across programs. Currently Felicity is also convener of the Australian Association of Social Workers Aged Care Practice Group for South Australia.

Topic: **Counselling and Psychotherapy with Older Adults**

This Mental Health Professionals Network (MHPN) presentation is for mental health practitioners to learn about issues, ethics and interventions for psychotherapy with an advanced senior clientele.

Date: Monday, 24 September 2018

Time: 6:00pm for a 6:15pm start, until 7:45pm

Venue: GP Plus Health Care Centre
Training Room
16 Playford Blvd
Elizabeth

Catering: *Light catering will be provided*

Register: Please [register](#) your acceptance or apology for this meeting.
